Travelers Aid of Greater Birmingham

Talking About Our Seniors!

Ms. Ruby, 90 years young, still goes bowling with her league and she has several medals to prove it! Having spent most of her adult life in New York City she used public transit and never had a need to learn to drive. She moved back to Birmingham to be closer to her sister but because she didn't drive had problems getting around town. Her insurance company referred her to our Senior Ride program 5 years ago for help getting to her doctor appointments. She continues to use Senior Ride and has even spoken to United Way volunteers on two different occasions about the program and the transportation issues so many seniors experience.

Thank you Ms. Ruby for sharing how Senior Ride has helped you and other seniors!

Senior Ride is a program of Travelers Aid of Greater Birmingham, providing no cost transportation to and from health care appointments for low income elderly and disabled adults.

We are very grateful for the support that the Dixie Vintage Antique Automobile Club gives Travelers Aid and the seniors we serve! Thank you!!
