February Spotlight...

James Miller

My dad, Joe Miller, bought this 1955 Buick Roadmaster in 1970 for \$300. For the next two years, it became his daily transportation. In 1972, we replated the bumpers, repainted the body and completed an engine overhaul by 1975. Dad and I drove her to many shows during the late 1970's, and deservedly, we earned numerous awards at car shows throughout the southeast. The Roadmaster took a trophy for first or second place in its class on most shows and occasionally earned a respectable third place.

In 1979, Dad and I drove from Birmingham to Minneapolis, Minnesota for the *Buick Club of America National Show*. We took home third place in the class for 53-55 V8 (except Skylark). In 1981, the Roadmaster was parked in a garage where it rested for twenty years.

However, 2001 saw the Roadmaster with new paint, new plate on the bumpers and 80% of the interior was replaced, and in 2003, dad proudly received a third place in a regional AACA event.

Sponsorship Levels

Work on the Dixie Vintage Car Show scheduled for April 23, 2016 at Oak Mountain State Park is underway. Our annual car show to support the charity *Travelers Aid* was announced in November. A call for membership to identify and solicit sponsors went out and the rate card was distributed in early December.

Two club members have hit the ground running. Tom Johnson and Bill Ross have delivered a number of sponsors already. We encourage everyone to take a few minutes familiarize themselves with the rate card and talk to the people you are doing business with. It is amazing how many respond positively when asked.

If you have sponsorship questions, contact Dale Baker at 205-807-6581 or dalebaker001@att.net
