THANK YOU!
WAYNE
WILLIAMS...

OUTSTANDING
EXCELLNCE
AWARD...

FOR YOUR
DEDICATION AND
SERVICE

It was a cool December evening as a group of Dixie Vintage members gathered at Bluff Park United Methodist church for the 56th annual Christmas party. Party goers enjoyed a delicious meal, including coffee and desert, prepared by Marvin's Catering. Dixie Vintage First Vice President Jim Black hosted the event as master of ceremony. A short business meeting was held and nominations were accepted for all officer positions for 2016. A vote to induct the nominated officers will be held at the first 2016 Dixie Vintage business meeting. One high point of the business meeting was the service award presentation to Wayne Williams for his outstanding work as newsletter editor from 2013 to 2014. Club members celebrated the Christmas season by generously donation toys for patients at Children's Hospital of Birmingham. The numerous toys were delivered to Santa's hut inside Children's Hospital on December 9th by Gary and Carlene Adams. Party goers were honored and wowed by the entertainment of Three on a String member Jerry Ryan as he took us down memory lane by pounding out some oldies and goodies. Jerry was assisted by his drummer "Blue Dog." A grand time was had by all.

Happy New Year!

January Spotlight...

FRANK RUSH

Lucy and I have finally found a Packard to own and drive! As you can see from the pictures, it is a little flashy but in a quiet way. This is a double first as the Packard and my article are a first since joining the club!

This 1955 Packard 400 started life in Oklahoma until a lady from Florida bought it at auction in 2004 from which we have the auction lot notice. The man I bought the car from acquired it from her estate. He said she apparently had a house in the Carolina's and Florida and drove the car back and forth. He bought it in the Carolina's and brought it to Florida.

I will just assume some rich oil man from Oklahoma bought the car new. It seems to have almost every option. It is automatic and has window washer, oil filter, power steering, brakes, windows, seats, antenna, signal seeking radio with dealer installed air. The tires appear correct and the fender skirts are still installed on the vehicle. You cannot believe how many I have seen with no skirts.

The seller stated the black was original. If so, it is really good. I suspect this is a re-paint but must admit they did a good job. The interior is original and you can see from the pictures in excellent condition. Chrome in and out is very good. There is a small dent between the rear window and trunk which may just stay that way!

Sponsorship Levels

Work on the Dixie Vintage Car Show scheduled for April 23, 2016 at Oak Mountain State Park is underway. Our annual car show to support the charity *Travelers Aid* was announced in November. A call for membership to identify and solicit sponsors went out and the rate card was distributed in early December.

Two club members have hit the ground running. Tom Johnson and Bill Ross have delivered a number of sponsors already. We encourage everyone to take a few minutes familiarize themselves with the rate card and talk to the people you are doing business with. It is amazing how many respond positively when asked.
