Dixie Vintage Car Show Oak Mountain State Park, April 23, 2016

Work on the Dixie Vintage Car Show scheduled for April 23, 2016 at Oak Mountain State Park is underway. Our annual car show to support the charity *Travelers Aid* was announced in November. A call for membership to identify and solicit sponsors went out and the rate card was distributed in early December.

Two club members have hit the ground running. Tom Johnson and Bill Ross have delivered a number of sponsors already. We encourage everyone to take a few minutes familiarize themselves with the rate card and talk to the people you are doing business with. It is amazing how many respond positively when asked.

If you have sponsorship questions, contact Dale Baker at 205-807-6581 or dalebaker001@att.net

We are proud supporters of the Dixie Vintage Antique Auto Club

We have a unique moment in Dixie Vintages history to make a huge impact in the future of our club and the charity many members work diligently to help each year. This year we have a new name for our show and a great new location. We need each and every member to help make this show a huge success. The plan is to have many sponsors so we can have nice prizes and lots of cash to give away and thereby grow this event! We will all enjoy a larger show each year and we'll enjoy increasing our donation to Travelers Aid. Last year we gave them \$2500 and our goal is the same this year. To that end we developed a matrix of sponsor levels and price points to assist members as they solicit potential sponsors. The sponsor level and pricing matrix have been available for some time in the newsletter but very few are doing anything! Tom Johnson has landed 4 sponsors! Please folks, if he can do that you can as well. Please find and print the matrix and fliers and get with your employer and businesses in your area and ASK! That is all that is needed. Also, if you have not preregistered your car for this event please do so now and go to <http://www.dvaac.com/> for flier & registration forms. If you have questions or you need help please call me.
