As most of you are aware, we had an instance at the April KK Cruise-IN where one misguided individual parked his car at the SUNOCO gas pumps and walked away for over an hour. This really upset our neighbor at SUNOCO and rightly so. He was already upset because cruise-attending cars were parallel parked three deep on the curb on one side, cars were parallel parked two deep on the Hwy 31 curb, and curbs on both entrances from 31, and cars were actually parking right in front of the store. All of the above should never happen. If you arrive at the cruise-in and all parking is full, please go to Title Maxx, or the school parking lot behind KK. Spaces will open up as cruisers start leaving around 10AM.

Going forward, we will have a team of volunteers stationed at both SUNOCO entrances from Hwy 31, and between the pumps and the SUNOCO store. Please cooperate fully with the volunteers. We need every Dixie Vintage member to volunteer at least once a year to do this! The work times are 8AM - 10AM, and 10AM - 12 Noon. The same few members have been doing this and all of us are expected to help, so email skatch@charter.net and gadams2@bellsouth.net now with the date and time you can work. Right now we need 3 people for 10AM - 12Noon shift on May 7th! Please see Steve Katchur on cruise day for instructions and a yellow vest.

Also, we will reduce our KK drawings from two times to one, and at 10AM award two SUNOCO cards.

Travelers Aid of Greater Birmingham

Talking About Our Seniors!

Ms. Ruby, 90 years young, still goes bowling with her league and she has several medals to prove it! Having spent most of her adult life in New York City she used public transit and never had a need to learn to drive. She moved back to Birmingham to be closer to her sister but because she didn't drive had problems getting around town. Her insurance company referred her to our Senior Ride program 5 years ago for help getting to her doctor appointments. She continues to use Senior Ride and has even spoken to United Way volunteers on two different occasions about the program and the transportation issues so many seniors experience.

Thank you Ms. Ruby for sharing how Senior Ride has helped you and other seniors! Senior Ride is a program of Travelers Aid of Greater Birmingham, providing no cost transportation to and from health care appointments for low income elderly and disabled adults.

We are very grateful for the support that the Dixie Vintage Antique Automobile Club gives Travelers Aid and the seniors we serve! Thank you!!
