New Process for Ordering Name Tags

Dixie Vintage President Jim Black has streamlined the process for ordering name tags. This new process will expedite the delivery of your nametag to your home. The order form will be available in the tent at Krispy Kreme Cruise-ins. The member needing a name tag will complete the order form and mail it with payment to Crown Trophy. The finished name tag will be mailed to you.

We encourage each of our members to own and wear a Dixie Vintage Car Club name tag. We really do want to get to know you. The cost of the name tag is \$10.00.

The Dixie Vintage Antique Automobile Club Newsletter is published monthly by Dixie Vintage Antique Automobile Club, Inc., a non-profit Alabama Corporation. The purpose of this Club is to promote interest in restoring and preserving antique, classic, and special interest old cars; and to provide a social club for members and their families of mutual interest to all. OFFICIAL CONVERSION CHART

HOW TO INTERPRET

ANTIQUÉ CAR ADS

IF IT SAYS:

IT REALLY MEANS:

Rare model	Nobody liked them when new either
Older restoration	Can't tell it's been restored
Needs engine work	It's been frozen for 30 years
Uses no oil	Just throws it out
No rust	Body and fenders missing
Rough	It's too bad to lie about
One Owner	Never been able to sell
No time to complete	Can't find the parts anywhere
Needs interior	Seats are gone
Rebuilt engine	Has new spark plugs
May run	But it never has
Low mileage	Third time around
Many new parts	Keeps breaking down
29 coats hand-rubbed paint	Needed that much to cover rust
Clean	It sat out in the rain yesterday
Best Offer	About what I expect to get
Always driven slowly	Won't go any faster
Prize winner	Hard luck trophy 3 times in a row
Stored 25 years	Under a tree
Real show stopper	Orange with purple fenders
Easy restoration	Parts will come off in your hand
Ready to show	Just washed it
Top good	Only leaks when it rains
Good investment	Can't depreciate any more

New Member's Project

Ken Knight a new member of the club is restoring a 1965 Chevrolet Corvette. His first steps are replacing the complete front suspension and steering and then will start the body work. As you can see the car is beautifully finished on one side but not restored on the passenger side. The person Ken purchased the Corvette from wanted to get into the Corvette restoration business so only finished half of the car to show customers a before and after product.
