New Process for Ordering Name Tags

Dixie Vintage President Jim Black has streamlined the process for ordering name tags. This new process will expedite the delivery of your nametag to your home. The order form will be available in the tent at Krispy Kreme Cruise-ins. The member needing a name tag will complete the order form and mail it with payment to Crown Trophy. The finished name tag will be mailed to you.

We encourage each of our members to own and wear a Dixie Vintage Car Club name tag. We really do want to get to know you. The cost of the name tag is \$10.00.

Dixie Vintage Antique Automobile Club

The Dixie Vintage Antique Automobile Club Newsletter is published monthly by Dixie Vintage Antique Automobile Club, Inc., a non-profit Alabama Corporation. The purpose of this Club is to promote interest in restoring and preserving antique, classic, and special interest old cars; and to provide a social club for members and their families of mutual interest to all. Monthly meetings and activities are conducted in a variety of locations. We encourage membership from other automobile clubs and orphan marquees.

The only requirement to become a member of Dixie Vintage Antique Automobile Club, Inc. is an interest in the history and preservation of automobiles.

Past Meets Present

An Update by Gary Adams

At Krispy Kreme Cruise-in This 1950 Ford is a hot rod built in the late 50s by Albert Pardi, best friend of Jimmy Likis. Albert was a great mechanic and expertly transplanted a Chevrolet 265, V-8, Power Pack engine into the Ford. The car has a three-speed manual transmission with Smitty exhausts. The car was driven by Pardi until the late seventies. Pardi's nieces and nephews fondly remember many Sunday afternoon rides in Uncle Albert's Ford. Seeing the Ford for the first time in many years in the photos below are Tony Pardi, Sal Pardi, and Bernice Moran. Also remembering those rides, but not pictured, are nephews Mike Likis and Sal Sicola. I think all named in this article are Dixie Vintage members with the exception of Bernice and Sal who are being actively recruited.

1929 MODEL A FORD SPECIAL COUPE FOR SALE

This Model A has a new engine, new rear end, a Webber downdraft carburetor, electric fuel pump and regulator. It has the cast iron exhaust header, cast iron high compression cylinder head and six blade fan. The Model A was converted to 12 volts negative ground featuring an interior outlet and cutoff switch. For highway driving it has new 3.54 gears with new bearings and seals. This A also has electrical wipers, a quail radiator cap, rear trunk and trunk rack. This Model A is equipped with seat belts, floor mounted cup rack, turn signals, parking lights, and it has carpet in the cab and rumble seat. The original 1929 Alabama license plate stays with the car. \$21,500. Call Dwayne at 205-520-3803

New Member's Project

Ken Knight a new member of the club is restoring a 1965 Chevrolet Corvette. His first steps are replacing the complete front suspension and steering and then will start the body work. As you can see the car is beautifully finished on one side but not restored on the passenger side. The person Ken purchased the Corvette from wanted to get into the Corvette restoration business so only finished half of the car to show customers a before and after product.
