Automobile Club

The Dixie Vintage Antique Automobile Club Newsletter is published monthly by Dixie Vintage Antique Automobile Club, Inc., a non-profit Alabama Corporation. The purpose of this Club is to promote interest in restoring and preserving antique, classic, and special interest old cars; and to provide a social club for members and their families of mutual interest to all. Monthly meetings and activities are conducted in a variety of locations. We encourage membership from other automobile clubs and orphan marquees.

The only requirement to become a member of Dixie Vintage Antique Automobile Club, Inc. is an interest in the history and preservation of automobiles.

Dixie Vintage Member Marvin Rochester submitted this information and picture.

Last night I was looking through my old pictures and came across the only photo I have of my old 69 Chevelle SS. Originally, it was Cascade green but I had the fenders flared to accommodate the M60s, added the L88 scoop and painted it a darker green. This picture is from 1974, Piedmont AL. I didn't keep any paperwork on the car (42 years ago) when I let it go but it was a factory 4 speed car, 4 bolt / 427 - added 4.11 gears. I like to think someone wiser than me jerked off that scoop & took it back to the original color. Just wondering if it is still out there?

Thanks, Marvin
