ED ZANATY APPOINTED To DIXIE VINTAGE BOARD

July15, 2021

The Dixie Vintage board of directors is happy to announce the appointment of Ed Zanaty to the Dixie Vintage Board of Directors. The appointment is effective immediately. Ed will continue to serve as President of Dixie Vintage.

Ed was born and raised in the Edgewood neighborhood of Homewood. He graduated from The University of Alabama and earned his law degree from Cumberland School of Law. While at U of A Ed participated in the ROTC Program. After serving 33 years with the Air Force Ed retired with the rank of Colonel.

After practicing law in the Birmingham area for twenty-five years Ed received an appointment as Federal Administrative Law Judge being assigned to the Office of Hearings and Appeals. Ed served as Chief Judge of the Birmingham office until his recent retirement.

Ed is a child of the 50s. He has often said that when he dies, he wants to go to the 50s section in Heaven. He is passionate about oldies rock and roll music. And, is probably more passionate about cars of the 50s; Chevys Fords, Olds, Hawks, and Furys. And, yes, drag racing at Helena and Lassiter Mountain. And his most passionate pastime is working on his 57 Chevy and 1933 Factory Five Hot Rod.

Ed's other passion is being a member of our dear Dixie Vintage Auto Club and getting to know the many old car & truck members. In his opinion, Dixie Vintage is not only the oldest and largest club around but the best in the Universe. Welcome to the Dixie Vintage Board Ed!

BILL COOCH RETIRES FROM THE DIXIE VINTAGE BOARD

April 15, 2021

Bill Cooch has retired from the Dixie Vintage board after serving faithfully for ten years. For six of those years Bill served as Chairman and we did have some bumps in the road requiring his steady hand. It is with sadness that fellow board members say good-bye to one who has served so well.

Bill Cooch grew up in the Central Park neighborhood of Birmingham. He graduated from Ensley High school and the University of Montevallo. Right after high school Bill joined the Army National guard and after eight years transferred to the Army Reserve. Bill says some of his fondest memories of the reserve were serving as umpire in war games and injecting unusual challenges in the exercise to see how opposing forces reacted.

Bill worked for Alabama Power for thirty-two years. At Alabama Power Bill's role was real estate buyer and land appraiser. He said his job was challenging at times but presented opportunities to travel around and spot old car projects.

Bill's love for old cars started as a youth and never waned. He specialized in and loved Ford Model As. He was a member of the Model A Restorers Club. Bill restored too many Models As to count over the years. His last work of art was a 1929 Model A pickup which he painted in his driveway. It was a beauty and after enjoying it for a while he sold it on eBay to a new owner in Nova Scotia.

The next time you see Bill Cooch please thank him for his many years of service to this great country, to his family, and to Dixie Vintage.

For sale: I'd reached out on Facebook a couple days ago about a 1962 Met that needs a new owner. This was a project my dad had others working on for him for years; unfortunately, he passed away before he had a chance to drive it. It has been restored to a large degree, has not been run in 18 months or so.

We want to find a buyer for it, as is. Hoping to get at least \$10K for it. I appreciate any suggestions you have, and any information you can share with contacts who might be interested.

I can be contacted at this email address with any questions. It is in a garage in the Tuscaloosa area.

thanks so much!
